President Message

It is a great honor to inform you that the 2015 Biennial Joint Congress of Japan Prosthodontic Society, the Chinese Prosthodontic Society (CPS), and Korean Academy of Prosthodontics (KAP) will be held in Hakone from April 10th to 12th, 2015. The main theme of the congress is "Creation, Innovation, and Personalization." The program

of the congress aims to address comprehensively the principles that comprise creative, innovative, and personalized prosthodontics.

Hakone is one of the most beautiful places in Japan and is famous for its hot springs. Nestled along the world heritage area of Mt. Fuji, the town offers grand landscapes and beautiful natural surroundings with an ideal climate.

We cordially invite you to join the congress in beautiful Japan.

Hirofumi Yatani, DDS, PhD
