

# 11<sup>th</sup> INTERNATIONAL CONFERENCE ON FINE PARTICLE MAGNETISM (ICFPM2022)

May 30 – Jun 3 2022 Yokohama Japan

<https://icfpm.org/>

The International Conference on Fine Particle Magnetism (ICFPM) is a series of conferences to provide an opportunity for worldwide participants to meet their colleagues and collaborators and discuss fundamentals and applications of fine magnetic particles since the first ICFPM was in Rome in 1991.

Conference Topics: Synthesis, characterization, and functionalization, Fundamental properties, Experimental techniques, Theory and modelling, Data storage & energy application, Life science and biomedical applications.

Important Dates:

**Abstract Submission:** 7th January - 8th February 2022,

**Early Bird Registration:** 15th November 2021,

**Regular Registration:** 1st April 2022,

**Paper Submission Deadline:** 1st July 2022

**Co-Chairs:** Yuko Ichiyanagi , Yokohama National University ([yuko@ynu.ac.jp](mailto:yuko@ynu.ac.jp))

Hiroaki Mamiya , NIMS Japan ([MAMIYA.Hiroaki@nims.go.jp](mailto:MAMIYA.Hiroaki@nims.go.jp))

**Steering Committee Members:** Dino Fiorani (Italy), Xavier Batlle (Spain), Roy Chantrell (UK), Cindi Dennis (USA), Michael Farle (Germany), George Hadjipanayis (USA), Chin-Yih Hong (Taiwan), Hamid Kachikachi (France), Amilcar Labarta (Spain), Per Nordblad (Sweden), Gonzalo Vallejo (UK), Quentin Pankhurst (UK), Davide Peddis (Italy), Dong-Lian Peng (China), M. Puerto Morales (Spain), Roberto Zysler (Argentina), Elin Winkler (Argentina), Montserrat Rivas (Spain), Robert Shull (USA)
