

8-13 July
2018

The 23rd International Symposium on Plant Lipids

Osanbashi Hall, Yokohama, Japan

ISPL2018 Chairperson Ikuo Nishida (Saitama University)

KEYWORDS: Fatty Acids and Glycerolipids / Lipid Trafficking and Channeling / Live Imaging of Lipids / High-Resolution Analysis / Lipids and Environment / Lipid Droplets and Oleosomes / Sphingolipids / Algae and Microbial Lipids / Extracellular Lipids and Isoprenoids / Genome-Editing Technology for Plant Lipid Research / Lipid Biotechnology

Organizing Committee

Steering Committee Chairperson: Hiroyuki Ohta

Program Chairperson: Hajime Wada

Co-Treasurers: Kenji Matsui, Toshiya Muranaka

Secretariat

School of Life Science and Technology, Tokyo Institute of Technology
