on Intellectual Property

-East Asian IP Systems and Strategies for Worldwide Users-

“East Asian Trademark Systems and Strategies for Worldwide Users”

Panel discussion

Aim and scope of this session

Bad faith trademark filing issue is a common worry of each IP Office Examining Division. If the trademark application is increased, it becomes much more bad faith filing. Each IP Office in the examination, doing a variety of initiatives. In addition, it is also important to make cooperation of each IP Office in this issue.

It is more important among 3 offices, especially , as Chinese characters are used in trade mark in the east Asia.

In this session, it is introduced of each country's approach to bad faith trademarks, presented by officers from the IP offices of each country responsible for trademarks.

And discuss how to make further cooperation on this issue.
